Lake Zoar Drive-In

Monroe, (203) 268-8137

(lakezoardrivein.com)

Just the name sounds impressive: **The Zoar Burger**. When you hear the history of how Michael Basso, the owner of this lakeside drive-in, has striven for 18 years to make it something truly special, with a quarter-pound of fresh ground beef, grilled to perfection and topped with bacon, cheese, lettuce, tomato, onion, mayonnaise, ketchup, mustard and pickles, all on a fresh-baked bun, it sounds even better. But take a big juicy bite—that's when you know it's the best.
